INFALLIBLE YEAST POWDERS.

Scientific men, who thoroughly understand the subject, concur with great unanimity in saying that nothing exerts such a deleterious influence against health as bad bread. The remedy is at hand in SIMPSON'S INFALLIBLE YEAST POWDERS, the value of which is thus certified:

RALEIGH, Aug. 24, 1866.

I have tested the Yeast Powders you manufacture and can recommend them as vastly superior to any other ever used by me. In addition to the lightness and sweetness of the bread, the powders are economical, as one-third the lard usually required will answer in the making of either loaf bread or biscuit. For pastries and cakes they are excellent.

VIRGINIA A. ORR.

The price of these powders per package is 25 cts. or 75 cts. per pound. To be had at **Wm. Simpson's** Confectionary Store, Fayetteville Street, Raleigh, N. C.

RALEIGH, Aug. 23, 1866.

This is to certify that I have used Mr. Simpson's Yeast Powders and find them to be superior to any I have ever used. After trying them *once* no housekeeper will be satisfied without them.

THE SENTINEL.

WM. E. PELL, SEATON GALES, } Editors.

Monday Evening, Nov. 26, 1866.

Foreign Immigration.

The sentiment appears to be growing among our people, that the early and rapid developement of the agricultural, manufacturing and mining interests of the State, cannot be effected by our present population. That entire reliance cannot be placed upon either the black nor white population, even if they were all disposed to labor efficiently, because of their paucity. As to the black population, a variety of opinions exist as to their disposition in the future, but we believe the weight of sentiment is decidedly against their efficiency and reliability.

An intelligent gentleman, a member of the State Senate from beyond the Chowan river, has expressed his decided conviction to us, that the quantum of labor from the colored population in agriculture, will continue to decline in the State, in a rapid ratio. In the Northeast counties after the capture of Roanoke Island, he says those that remained, seemed disposed to labor for wages for a year or two, but that the decline since has been very perceptible, until the present year, very little, comparatively, has been done by them. Their propensity to change and to leave the hoe and the plow, for other less profitable, but easier employments, and to congregate in towns, grows upon them instead of lessening, although hunger and nakedness are pressing many of them very hard.

There is also a marked declension already, not only in the number of colored laborers, but in their remarkable fruitfulness and increase, so manifest while in a state of slavery. Marriage among them, though fully recognized by law and encouraged, is becoming less frequent, though there is evidence that concubinage and uncleanness, so destructive to healthy increase, are really growing.

For these and other reasons which might be mentioned, the sentiment is on the increase, that the colored population, as a whole, cannot be relied upon as in former days, for productive labor. The question, therefore, very properly arises, what shall be done to supply the growing demand for labor in this State?—This question is becoming more serious, in view of the immigration from the State.

Efforts have been made, and are still making, to induce Northern laborers to settle among us. Though they have been assured that they would be favorably received if their object is the pursuit of an honest livelihood, and of their safety, yet with the exception of a few adventurers who have some means to begin operations favorably, no strictly laboring people have come among us from the North; nor are they likely to come, while the prospects of labor continue to be more remunerative at the North than at the South, and while the greater variety of employments are so much more numerous.

Northern men who have capital with which to employ labor already here, may come with some assurance of success, but the idea which is growing up in New England, that its laboring population may be colonized in the South to become field laborers, will prove chimerical and destructive. The rich and productive lands of the South, are always found where malaria and disease abound. Until acclimated and fully inured to out-door labor in our most productive sections, Northern laborers exposed to our Southern suns, would soon wilt and die. Hence it is that so few Scotch, Irish or Northern Germany laborers have ever been induced to remain, especially in those sections of the South, where lands are most productive. The Scotch and Scotch-Irish, and the Germans and Dutch who emigrated to this State years ago, and who embrace with their descendants some of the best of our population, settled mainly on our uplands, where the soil is far less productive and more healthy. The Swiss settled in our Eastern Counties, but the emigration was small and not long continued.

The indications, therefore, are that North Carolina must look to middle and Southern Europe for an increase of her population. Recently, this idea has taken hold strongly upon many of our intelligent people, in the counties of Mecklenburg, Rowan and others, and we are glad to see that they are disposed to press this subject upon the attention of the Legislature.—The resolution of Mr. Wilson, of Mecklenburg, on Saturday, looks to the inauguration of a systematic plan, under State aid, for the encouragement of foreign immigration directly from Europe into this State.

Experiments have satisfied our people, that nothing efficient can be done by importing laborers from Europe, who are first brought to New York, and who are procured from the streets of that city by Emigration Associations. Not one in twenty will remain in the cotton and corn sections of this State, more than one season. Hence, the absolute necessity for an early increase of our population, suggests the direct immigration of European laborers to this State, as the only feasible plan.

This can only be done by the establishment of European lines of steamers to ply directly between Beaufort and Wilmington to Europe, carrying North Carolina produce and in return bringing immigrants and European merchandise. This scheme will require one or more active and enterprising Agents, to be sent to Europe to induce the honest *farming* population of Europe, to come and settle among us.

Our hilly and mountainous country offers the strongest encouragement to the industrious rural people of Scotland, Ireland, Belgium, North Germany, Switzerland and Sweden, for settlement. Farming, mining and sheep-raising in the healthier portions of this State, present a wide field for operations for those populations. Our Eastern counties, so prolific of fish, lumber, cotton and corn, offer the strongest inducements to the Dutch and the people of South Germany, Hungary, and the laboring population of the Mediterranean.

This scheme cannot be inaugurated at too early a day. The necessities of the State in this regard are immense, and the inducements which might be presented would be strong and influential. No inducements should be offered to mere adventurers, but the laboring mechanics, and farmers especially, emigrating with their families with all their available means, might be induced to come in any number with the most positive assurances of success.

U. S. Senator.

The election of a U. S. Senator, for six years from the 4th of March next, will be made by the General Assembly on to-morrow, in compliance with the law of Congress. It is impossible to indicate with any degree of certainty, even at this late period, upon whom the honor will fall. We have seen no indications of the usual efforts at electioneering, common on such occasions. Individual preferences have indicated a very large number of gentlemen for that position, yet at present there seems to be no very general concentration upon any one individual. The names of Hon. John Pool, Judge Howard, Judge Manly, Hon. Thos. S. Ashe, Gen. Matt. Ransom, Hon. W. N. H. Smith, Hon. George Davis, Hon. Z. B. Vance, M. L. Wiggins, Esq., Col. Robert Strange, Hon. Thos. Bragg and S. F. Phillips, Esq., have all, we believe been spoken of in connection with that position, yet we have no evidence that any of the gentlemen themselves, have expressed any desire for it.—Mr. Pool is the only gentleman named above, we believe, who is here, except those who are necessarily here. It is understood that his friends are actively pressing his claims, but we have heard no one express the belief that he can be re-elected. We hear the names of Judge Howard, Judge Manly, Hon. W. N. H. Smith, Hon. Thos. S. Ashe and Gen. Ransom mentioned most frequently, as being the number from whom the selection will be made. We cannot doubt that in the choice, the truly Conservative sentiment of the State will be respected.

The known sentiments of the State and of the Legislature, forbid the re-election of Mr. Pool. Whatever may be his present position on the Howard amendment or upon national questions in which this State is vitally interested, our people cannot forget his history since his election to the Senate. Mr. Pool, it will be recollected, possessed no claim for admission into the U. S. Senate, either under the constitution or the "test oath" not possessed by other members elected to Congress from this State, except Mr. Jones, of the Mountain District, who claimed that he could take the "test oath." None of the rest pretended they could. Yet it will not be forgotten, that Mr. Doolittle, the Senator from Wisconsin, in his place in the Senate, urged the admission of Mr. Pool on the presentation of his credentials, upon the ground that his record was that of a sound, loyal Union man *throughout the entire war*, that he could take the test-oath but for a mere technical difficulty, and that he accepted a position in the Legislature of this State, with *the view of embarrassing the Confederacy to the extent of his ability.*—We noticed this statement at the time, and called upon Mr. Pool to say, whether or not he had authorized it. More recently we have adverted to it and to other rumors touching Mr. Pool's course, and called upon him for a distinct avowal of his position. To all these, we have heard nothing from Mr. Pool. Recently, it was stated, that a letter from Mr. Pool to Mr. Holden, was read before the meeting held in the *Standard* office which nominated Gen. Dockery, the publication of which was interdicted, in which, rumor says, Mr. Pool entirely endorsed Mr. Holden's views and course. Since the election it has been charged upon Mr. Pool, that although he voted for Gov. Worth, he circulated Dockery tickets at the polls, and he has been charged in some quarters with being a Howard amendment man. We know nothing of Mr. Pool's present position, but the foregoing facts and rumors, are sufficient of themselves to compel every true man in the General Assembly, who is committed to the support of Gov. Worth and to opposition to the Howard amendment, and who demands as the people of North Carolina will, a man with clean skirts, free from Radicalism, strait-sectism and Holdenism, to be very careful how he casts his vote to-morrow. Mr. Pool was the choice of Mr. Holden twelve months ago. Is he not Mr. Holden's choice now? In order to prevent division among the anti-Howard amendment men, would it not be advisable for them to have a consultation? We suggest it only for the reason that the law of Congress *obliges* the General Assembly, to make the election on to-morrow.

We have just learned, that gentlemen, ignorant of the above facts and rumors, are denying that there is any foundation for them, and hence some may act unadvisably. We have therefore felt compelled, at this late day, to repeat them, not to do Mr. Pool or any one else injustice, but that every one may vote with his eyes open, in a matter of so much importance.

DESTRUCTIVE FIRE.—A slip from the office of the Goldsboro' *News*, received on Saturday night, brought the unwelcome news, that a fire broke out in the upstairs of the Granger Hotel, in that town, on Saturday morning, at 4 o'clock, destroying the Hotel and all the buildings contiguous. Much of the furniture was also destroyed or badly injured. With great difficulty, the fire was prevented from spreading to the railroad shed and stores in the neighborhood. It is believed to have been set on fire by a mysterious stranger, who a short time before left the Hotel. Stealing followed the burning, and the loss of the proprietors was large. The Hotel buildings were insured, but to what amount had not transpired.

NORFOLK VIRGINIAN.—Mr. Lewellen, late Editor of this paper, has retired, and has been succeeded by Mr. J. M. Hanna, its late able "local." The *Virginian* has been an excellent paper from the beginning, and will not decline in interest under the management of Mr. Hanna

NORTH CAROLINA LEGISLATURE.

SENATE.

MONDAY MORNING, Nov. 26.

The Senate was called to order at 11 o'clock A. M.

The Journal of Saturday was read and approved.

Mr. Love presented a memorial from the citizens of Cherokee relative to the consolidation of the Atlantic and N. C. R. R., and on his motion it was referred to the committee on Internal Improvements.

Mr. Paschall introduced a resolution instructing the Judiciary committee to enquire whether or not it would be best for the people of the State of North Carolina, to pay their private debts contracted before the war in bank bills of the State or their equivalent in current funds. Passed its first reading and referred to the Judiciary committee.

INTRODUCTION OF BILLS.

By Mr. Love, a bill to consolidate the Atlantic and N. C. R. R. Co., the N. C. R. R. Co. and the Western and N. C. R. R. Co. On his motion it was ordered to be printed and referred to the committee on Internal Improvements.

By Mr. McRae, a bill to amend an act to compel servants to comply with their contracts.—On his motion it was ordered to be printed and referred to the Judiciary committee.

By Mr. Adams, a bill to incorporate Lexington Mining Company. On his motion it was refered to the committee on Corporations.

By Mr. Speed, a bill to incorporate Pasquotank Lodge No. 103 at Elizabeth City, N. C. refered to Committee on Corporations.

By Mr. Hall a bill to incorporate the Hibernian benevolent Society of Wilmington. Referred to Committee on Corporations.

Mr. Cunningham, introduced the following resolution:

Resolved, That the Committee on the Judiciary be instructed to take into consideration the whole subject of popular relief against the danger of forced collections of debts during the passing crisis of general financial embarrassment, having in view the ordinance of the State Convention on the subject, and the questions arising as to its adaptation to the wants of the times and its constitutionality, and to report at an early day upon the possibility of some legislative measure, to save the country from the ruin, which would inevitably result from a resort to execution sales.

Mr. C. addressed the Senate upon the above resolution. His remarks will appear to-morrow

Mr. Avery a bill to protect Landlords. Referred to the Committee on the Judiciary.

By Mr. Leach, a resolution instructing the Committee on the Judiciary, to consider the propriety and necessity of submitting a bill for the protection of honest debtors.

Mr. Leach, in explanation of the resolution he had introduced, said that his object was, during the present depressed condition of the country, and the financial embarrasment of the people generally, to co-operate with the judiciary committee of which he was a member, in framing a constitutional bill, by which a board of valuation, or sworn disinterested freeholders, shall value the property of a debtor to be sold under execution, in such manner, that unless the creditor or his agent shall commence the bid at, say, three fourths of said cash valuation there shall be no sale. He said he should undertake to show, at the proper time, that such a law was absolutely demanded by every consideration of justice, the necessities of the time, and that in his opinon it would greatly enure, not only to the advantage of the debtor, but also to that of the creditor.

Mr. Speed, the Senator from Pasquotank and Perquimans, presented the petition of citizens from Elizabeth City, praying the General Assembly to extend the corporate limits of that town. He said the petition is said to represent a majority of the *voters* of the city, a majority of the *property holders*, and considerably more than half the value of the *real estate* of the town.—The petition prays the extension of the territorial limits of the city; and gives as a reason why the proper advertisement has not been made, that there was no newspaper published in the town. Acts incorporating towns are held to be "of a public nature," and therefore do not require the notice mentioned in the petition, but that the petition may not be embarrassed by any doubt Senators may have upon the subject of the notice, and that the controversy may be decided upon its merits, I say to the Senate, that a copy of the notice which was posted at the Courthouse door and other public places (as stated in the petition) with the necessary certificates, shall be filed with the bill to be prepared for the extension prayed for, before the second reading, if it is the pleasure of the Senate or of any Senator that it shall be done.

I deem it proper to say to the Senate that a counter petition is being proposed, and will, in due time, I presume, be presented to the Senate, when I shall state the reasons *pro* and *con*, and ask the Senate to act as in its judgment, justice and fair dealing between the State, the city, and the parties directly interested, demands.

I ask that the petition be referred to the Committee on Corporations, with a request that they bring in a bill in accordance with the prayer of the petitioners. Referred.

A message was received from the House transmitting an engrossed bill to establish the scale of Confederate Currency, passed its first reading and on motion of Mr. Wilson it was referred to the Judiciary Committee.

By Mr. Wilson, a resolution instructing the Committee on Propositions and Grievances to consider the propriety of remunerating Justices of the Peace for service rendered, and to report by bill or otherwise.

The bill relative to the courts of the counties of Washington and Hyde came up on its second reading and passed, and on motion of Mr. Spencer the rules were suspended, and the bill passed its third and last reading.

On motion of Mr. Covington the Senate adjourned until to-morrow at 11 o'clock.

HOUSE OF COMMONS.

Monday, Nov. 26.

The House was called to order at 11 o'clock, A. M.

The Journal of Saturday's proceedings was read and approved.

Mr. J. H. Everett, representative from Wayne County appeared and was qualified.

Mr. Russ presented the memorial of E. A. Crudup and H. W. Montague, Executors of Seth Jones deceased, of Wake county, relative to lost State bonds belonging to their testator. Referred.

Mr. McRae, of Richmond, presented a like memorial from Robert S. Ledbetter of Richmond County. Referred.

Mr. Long; a memorial from the magistrates of Cabarrus county, praying the establishment of a State Penitentiary. Referred.

The following committees were announced. On so much of the Governor's message as relates to a Penitentiary: Messrs. Hutchison, Lowe and Judkins.

On the communication from Col. Bomford and others, relative to the issue of Government rations to indigent citizens. Messrs. Moore of Hertford, Daniel, Jenkins of Gaston, Rogers, and Blythe.

Mr. Logan introduced the following resolution;

Resolved, That it is the sense of this House that the article proposed by the Congress of the United States, as an amendment to the Constitution of the same, known as the Howard amendment, and article 14th, should be ratified by the General Assembly of North Carolina, now in session.

Mr. Logan's remarks will appear to-morrow.

Mr. Waugh moved its reference to the Joint committee on the Constitutional amendment.

Mr. Scoggin asked for the yeas and nays on the question of reference.

They were taken as follows, the motion to refer prevailing:

YEAS.—Messrs. Allen, Autry, Baker, Barden, Black, Boyd, Bowe, Bradsher, Brown, Bryson, Carson, Chadwick, Clark, Clements, Crawford, of Macon, Crawford, of Rowan, Daniel, Davis, Davidson, Durham, Everett, Farrow, Foard, Freeman, Gambril, Garriss, Gorham, Granberry, Guess, Harding, Harper, Henderson, Hodnett, Holderby, Horton, of Wa., Horton, of Wilkes, Houston, Hutchison, Jones, Judkins, Kelsey, Kenan, Kendall, Latham, of Craven, Latham, of Washington, Lee, Long, Lowe, Lutterloh, May, Martin, McArthur, McClammy, McGougan, McKay, McRae, Moore, of Hertford, Morehead, Morton, Morrissett, Murrill, Neal, Patton, Peebles, Perry, of Carteret, Perry, of Wake, Reinhardt, Richardson, Rogers, Rosebro, Russ, Scott, Shelton, Simpson, Smith, of Duplin, Smith, of Guilford, Stevenson, Stone, Sudderth, Trull, Turnbull, Umstead, Walker, Waugh, Westmoreland, Whitfield, Whitley, Williams, of Martin, Williams, of Pitt, Williams, of Yancey, Woodard, York,—92.

By Mr. Whitfield, a bill for the relief of Executors, Administrators, Guardians, &c.

By Mr. Morehead, a bill to prevent fraud.

By Mr. Bryson, a bill to amend the charter of the Western N. C. railroad.

By Mr. Granberry, a bill to enable Administrators and Executors to pay the debts of insolvent testators and intestates *pro rata*.

By Mr. Scott, a bill to authorize Sheriffs and tax collectors to grant license to Auctioneers, in incorpated cities and towns.

By Mr. Allen, a bill to authorize Rufus Galloway, Sheriff of Brunswick county, to collect arrears of taxes.

These bills were appropriately referred and the House adjourned until 11 o'clock, A. M., tomorrow.

Bill for Relief.

Our reporter inadvertently failed to notice the following bill submitted to the House on Saturday last, by A. C. Latham of Craven. It was in reference to this bill, and not to Mr. Gorham's resolution, that Mr. Whitfield of Cleaveland expressed his approval. We therefore publish the bill:

A BILL TO CHANGE THE PRESENT JURISDICTION OF JUSTICES OF THE PEACE AND FOR THE RELIEF OF POOR DEBTORS.

SECTION 1. *Be it enacted by the General Assembly of the State of North Carolina, and it is hereby enacted by the authority of the same*, That sec. 6 of chap. 62 of the Revised Code, relating to the general jurisdiction of justices of the peace, be and the same is hereby re-enacted.—*Provided*, That the said section shall only apply to debts and demands contracted previous to the first day of Nov. 1861.

SEC. 2. *Be it further enacted*, That any justice of the peace out of court shall have jurisdiction of all sums less than one thousand dollars due upon contracts entered into since the first day of November 1861, and previous to the 10th day of March 1866, unless it is specified in the contract that it is payable in other than Confederate currency. *Provided*, That no claim shall be issued upon by a justice of the peace which will according to the scale of depreciation of Confederate money exceed one hundred dollars.

THE SENTINEL.

Monday Evening, Nov. 26, 1866.

LOCAL DEPARTMENT.

COUNTY COURT.—The County Court of Wake was in session the whole of last week, and under the new act will continue perhaps most of the present week. The number of indictments for misdemeanors was large, and a number we believe suffered the penalty of the law.

FEDERAL COURT.—Judge Brooks opened the term of the Federal Circuit Court in this city to-day. The Judge, the District Attorney, Mr. Starbuck, and the Marshal, Mr. Goodloe, are all on the ground. Of the cases to be brought before the Court, we have heard nothing.

Hon. Z. B. VANCE was in the city a day or two last week, on private business. His friends were glad to meet him, and we were pleased to find his health much improved. He is assiduously devoting himself to the practice of the law.

Mr. L. L. CLEMENTS, a merchant of Hamilton, Martin Co., in this State, on a recent visit to Norfolk, died at the hospital of St. Vincent de Paul, of cholera we presume. His remains were escorted to the steamer Orient by the Masonic fraternity, to be conveyed home on Friday last.

Information for the Destitute.

ST. LOUIS, MO., Nov. 20, 1866.

Editors Sentinel, Raleigh, N. C.—Dear Sirs: The Committee for distributing the funds received at the Fair, held here for the benefit of the widows and orphans of the South, have requested me to find out some of that class needing assistance this winter in North Carolina, and as far as the funds go they will receive some aid. The class designed to be relieved are the ENTIRELY DESTITUTE widows and orphans of deceased officers and soldiers. This class is sufficiently numerous and no others can be assisted by our Association. To insure that those persons only receive the funds, we must have responsible names to applications. I have pledged myself to be personally responsible for those applying through me, and will gladly receive at once such applications from the MOST DESTITUTE, endorsed by some well known and responsible gentleman.

Very respectfully &c., your most obedient servant, WM. WEBB.

Address Dr. Wm. Webb, 120 North 13th St., St. Louis, Mo.

We cheerfully insert the above at the request of Dr. Webb. We would suggest to our friends of the St. Louis Association, first to determine what amount can be appropriated to the State of North Carolina, then divide it *pro rata* according to population among the several counties; then enclose a check for said amount to the Sheriff of each county, with instructions as to its distribution. If this be done, and the Association will forward a complete list of the amount sent to each Sheriff, for publication in the press of this State, we feel quite confident, the object will be gained more easily and more properly than in any other way. The plan above suggested, by Dr. Webb, would reach very few persons, and in many cases, those not contemplated by the donors.—[EDS. SENTINEL.

TOURNAMENT AT LOUISBURG.—The tournament which came off at Louisburg last week, is spoken of as an interesting and successful affair. Sixteen Knights entered the lists. The procession was formed under the guide of Dr. Clifton, Chief Marshal, and on its arrival at the stand was addressed by Saml. Williams, Esq., of Nash, in an appropriate and eloquent manner, when the riding commenced. The following particulars are given by the correspondent of the Petersburg *Index*:

The Judges announced that the first tilt should consist of five sides, the victor to crown the Queen, and ties to be decided by successive tilts of three sides.

The following is a list of the riders and a score of their performances:

W. S. Allen, Knight of Plantagenet.
W. F. Arrington, Knight of Franklin.
W. H. Ballard, Knight of Marble Heart.
W. H. Burge, Knight of Odell.
John T. Clifton, Knight, of College Blue.
Joseph A. Clifton, Knight of Snow Drift.
J. O. Davis, Knight of Colors.
W. E. Foster, Knight of Lyndhurst.
R. C. Freeman, Knight of the Lost Cause.
B. F. Hawkins, Knight of Louisburg.
G. T. Harper, Knight of Tar River.
R. J. Jackson, Knight of Waving Plume.
W. D. Jackson, Knight of Old North State.
J. A. May, Knight of Star and Garter.
J. A. Perry, Knight of the Chase.
W. H. Yarborough, Knight of The Black Plume.

At the end of the first tilt the ring had been taken, under the rules, thirty times. The Knight of Plantaganet had ridden successfully four times out of five, and was declared the victor, while the following Knights had each taken the ring three times, and were entered on the second tilt for the Maids of Honor: Knights of College Blue, Snow Drift, Lost Cause and Waving Plume. The riding was now excellent, and the result closely contested. The Knight of the Lost Cause gained the 1st. Maid, the Knight of College Blue the 2d, and the Knight of Snow Drift the 3d.

The Knight of Franklin then challenged the victor, the Knight of Plantaganet, to a single tilt of three sides for the championship, which resulted in Franklin's victory. Here the riding ceased. The interest of spectators had been fully engaged throughout the exercises, which lasted four hours, and the dispersal was slow. A pleasing incident of the tilting was the presence of the ladies attending the flourishing Female College conducted in Louisburg. The Knight of College Blue wore their colors, and the enthusiastic greetings which they gave each new success of their champion, showed their lively appreciation of the compliment paid them by the accomplished equestrian sporting their "blue."

In the evening at 7½ o'clock, the Knights and their guests re-assembled in the dining room of Dent's Hotel. The victors announced their choice as follows:

Queen of Love and Beauty.—Miss Martha Brown.
First Maid of Honor—Miss Maud Ferguson.
Second Maid of Honor—Miss Agnes Perry.
Third Maid of Honor—Miss Bettie Green.

The royal party took their positions upon the platform erected for them, and the coronation address was delivered gracefully by Mr. Henry E. Shepherd, of Louisburg. The coronet having been placed upon the fair brow of the lady who adorned it, the royal set was danced, and then the fun commenced.

FROM WASHINGTON.

The President and Applicants for Office—The Message—The Southern States—General Amnesty—Report of the Secretary of the Treasury—Congress and the Executive—The Radicals, &c.

[From the Special Correspondent of the Richmond Examiner.]

WASHINGTON, Nov. 22.

The President refuses to receive applicants for office at present, while his time is engaged in the preparation of his message.

It may be hoped that the President will relieve himself entirely from the daily drudgery of office giving and leave it to the several executive departments. The message and accompanying documents will necessarily be voluminous, as well as highly interesting, embracing, as they will, a view of our foreign relations and the distracted condition of the Union, and the complicated and critical state of our finances. The Presdient will no doubt, now that the unrepresented States are fully rehabilitated and performing all their functions as States, in strict accordance with the laws and the Constitution of the United States, urge that there exists no reason why they should not be fully represented in Congress.

It is probable, also, that he will treat the subject of a general amnesty, and probably indicate his intention to exert his power of pardon by proclaiming amnesty for all who were engaged in the service of the Confederate States during the late war, with the exception, possibly, of those who are to be tried for treason, should any such trial be had, within a reasonable time, perhaps six months.

The Secretary of the Treasury will make a very elaborate report on the state of the finances, the debt, currency and taxation. He will adhere to the reccommendations of his former report; an enlargement of his powers for withdrawing legal tenders from circulation and for funding the maturing debt, and possibly for exchanging six per cent. for the five per cent. bonds, which he can do when the five per cent. command par, as he thinks they certainly will, as soon as the excluded States are restored. He will recommend a revision and reduction of the tariff of customs duties, and of internal taxes. The report and plan of the Revenue Commissioner, Mr. D. A. Wells, will fully accord with the views of the Secretary, and afford great relief to consumers, and to all industrial interests.

Congress will turn a deaf ear to all Executive recommendations. The Radical leaders will labor in the interest of speculators and plunderers. Already, powerful combinations have been formed to force through the Senate the abominable tariff which passed the House at the late session. Instead of giving us a revenue tariff, they will load it with duties for protection, and in some instances, prohibition, for the benefit of monopolies. Prices under this sytem will rise, though gold may decline.

The Radicals have invented a new mode for encouraging usurpation, on the part of Congress. They are to have a great mass meeting to welcome, and greet the Radical members of Congress upon their meeting, and, of course, to denounce and proscribe their political opponents—especially the Johnson administration, and the recusant Southern States.

KAPPA.

Troops Around Washington.

It is reported that there are now in the forts around this city and between them and Baltimore some fifteen or twenty thousand United States troops, and the question is asked, What does this mean? Some suppose these troops were collected in view of a probable insurrection in Maryland with the late election; some conjecture that they are intended for Mexico; while other astrologers of the Radical stripe suspect that under President Johnson's apparently cordial resignation to the results of the late election, he meditates a tremendous *coup d' etat*; that the south'n rebel and Northern Copperhead organs sti[illegible]ntating this thing, some openly and others in a mask, know what they are talking about, and Mr. Seward, when he asked the people, on the late Chicago pilgrimage, whether they would have Andrew Johnson "as President or as king," hinted at what was coming. President Johnson, they suspect, is preparing to quash a threatened impeachment; but they say the boys in blue are on the *qui vive*. Such are the vagaries and fears of foolish Radical fanatics in reference to the re-assembling of the Thirty-ninth Congress after the late elections.—*N. Y. Herald.*

The Columbus (Ga.) *Sun* tells of several cases of women working in the fields, who had succeeding in raising, by the labor of their own hands, one, two, and as high as four bales of cotton. The bales had either been packed or the cotton had matured and was being packed. All the girls in each family had united in the labor, and some of them were composed of persons who once possessed considerable property. When women take the plow, what an incentive is offered to men to endeavor, by honest toil and arduous application, to restore the prosperity of their native South.

POSSIBLE IMPEACHMENT OF GOVERNOR WELLS.

NEW YORK, November 22.—The *Herald's* New Orleans special says: "It is rumored that an effort is to be made to impeach Governor Wells for attempting to subvert the State government."

WASHINGTON, November 22.—A private telegram from Montgomery, Alabama, received here to-day, says ex-Governor John A. Winston was to-day elected United States Senator by the Alabama Legislature.

Farmer's Convention.

The Farmer's Convention which met on Tuesday and adjourned on Thursday night was, in practical aspects, a success. It was a working body, and addressed itself with diligence to those subjects upon which the redemption of the State mainly depends. In the Convention, there was discussion, out of it, consultation. One useful and interesting feature was the narration of the personal experience of leading farmers in reference to details of management, as also of the general principles upon which their operations have been conducted. The chief incident of the last night's session was the speech, or rather clear and admirable statement of Major SUTHERLIN, of Danville, in which he detailed at length, and to the great satisfaction of all, his experience, his course of management, his opinions and his observations. The impression made by his address was such as to elicit a vote of thanks.—*Rich. Enquirer.*

HEAVY SHIPMENT OF COTTON SEED.—The three-masted schooner *Palma*, chartered by Whitford, Dill & Co., takes out 35,000 bushels of cotton seed, the product of a portion of the crop raised in this neighborhood.—*Newb. Com.*

Ex-Postmaster General Dennison is said to have advised that Congress shall act with moderation and dignity. The project of impeachment he rejects wholly, and says that President Johnson would have to commit many indefinitely more flagrant acts, than any he is yet accused of to enable an indictment to stand.

Our Monday Morning Dispatches.

Washington Matters.

WASHINGTON, Nov. 24.

Gen. Geo. H. Stuart, late Maj. Gen. of the Confederate service, was pardoned to-day by the President, upon the earnest recommendation of several distinguished officers of the regular army, headed by Gen. Grant. The Attorney General also concurred in the request.

The sixth race on the National course took place to-day. Over 4000 spectators were present, including Gen. Grant and staff, Secretaries McCulloch, Stanton, and Browning, Sir Frederick Bruce and many other distinguished gentlemen. The race was for $2000, mile heats, best three and five. The horses entered, were the famous Dexter, the trotter George Faucette and the pacer Polly Ann. In all three heats, Dexter started behind, but passed his antagonists before the quarter pole was reached. His time on first heat was 2,26½ seconds; his owner pushed him as far as he could, and he made the time in 2,21½, beating any time he had ever heretofore made, except on the Kellamazoo course. In third heat he made the time in 2,29½ and was not pushed. On the first heat Polly Ann came in two lengths behind Dexter, but in the other parts the pacers came in last and Faucette came in second. Dexter runs in Richmond on Monday, when the season will close.

Mexican Affairs—President's Message, &c.

WASHINGTON, Nov. 25.

Official dispatches, which have reached Minister Romero from Mexico, state that Col. Rafael J. Garcia, appointed military Governor of Quebec, has established his government at the city of Tacapooastla and issued a proclamation to the people of the State, calling on them to take up arms against the invaders. Gov. Garcia reports that the French have lost the whole of Puebla, keeping only the line of the main road from Vera Cruz to the city of Mexico.

Many of the Washington correspondents are speculating as to what will be the contents of the President's forthcoming annual message, and some of them broadly assert, that he will make terms with Congress on the restoration policy, in view of the result of the recent State elections. This too is mere speculation, and it will therefore be better to wait for positive information for the message itself. It will be remembered that in the many speeches, which the President made in his late trip North and West, he said he had no new policy to announce, and that his future would be best indicated by his past course.

Nothing definite has yet been received by the government in relation to the claims upon Great Britain, for the damages to commerce, caused by the Alabama and other Confederate privateers. The correspondence between the two governments is still in progress. It is a fact, however, that the present British ministry is more disposed than the former one to give due and fair consideration to the entire subject.

A committee has been dispatched North by the leading Radicals here, to collect money to defray the expense attending the former ceremonies of welcoming back the Radical members of Congress and giving them a banquet next Saturday.

New York Market.

NEW YORK, Nov. 25.

The last sales of Gold yesterday were at 1,38¾, and the market is steady at that figure. Cash Gold was loaned as high as 1,32 per cent premium, at one time, but afterwards 3@4 per cent was paid, to have it carried. The stock market improved late in the day. The shipments of specie for the week amounted to 782,000 dollars and the total imports for the week were nearly four millions.

Special Notices.

A New and Grand Epoch in Medicine!

DR. MAGGIEL is the founder of a new Medical System! The quantitarians, whose vast internal doses enfeeble the stomach and paralyze the bowels, must give precedence to the man who restores health and appetite, with from one to two of his extraordinary Pills, and cures the most virulent sores with a box or so of his wonderful and all healing Salve. These two great specifics of the Doctor are fast superseding all the stereotyped nostrums of the day. Extraordinary cures by Maggiel's Pills and Salve have opened the eyes of the public to the inefficiency of the (so-called) remedies of others, and upon which people have so long blindly depended. Maggiel's Pills are not of the class that are swallowed by the dozen, and of which every box full taken creates an absolute necessity for another. One or two of Maggiel's Pills suffices to place the bowels in perfect order, tone the stomach, create an appetite, and render the spirits light and buoyant! There is no griping, and no reaction in the form of constipation. If the liver is affected, its functions are restored; and if the nervous system is feeble, it is invigorated. This last quality makes the medicines very desirable for the wants of delicate females. Ulcerous and eruptive diseases are literally extinguished by the disinfectant power of Maggiel's Salve. In fact, it is announced that **Maggiel's Billious, Dyspeptic and Diarrhoea Pills** cure where all others fail. While for Burns, Scalds, Chilblains, Cuts and all abrasions of the skin, **Maggiel's Salve** is infallible. Sold by J. MAGGIEL, 11 Pine St., New York, and all Druggists, at 25 cts. per box.

AYER'S CHERRY PECTORAL,

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.

So wide is the field of its usefulness and so numerous are the cases of its cures, that almost every section of country abounds in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried, its superiority over every other expectorant is too patent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs that are incident to our climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten.

We can only assure the public, that its quality is carefully kept up to the best it ever has been, and that it may be relied on to do for their relief all that it has ever done.

Great numbers of Clergymen, Physicians, Statesmen, and eminent personages, have lent their names to certify the unparalleled usefulness of our remedies, but space here will not permit the insertion of them. The Agents below named furnish gratis our American Almanac in which they are given; with also full descriptions of the complaints they cure.

Those who require an *alterative medicine* to purify the blood will find AYER'S COMP. EXT. SARSAPARILLA the remedy to use. Try it once, and you will know its value.

☞ Let all who have been given up by Doctors, and spoken of as incurable, read the following.

☞ Let all who can believe facts and can have faith in evidence, read the following:

Know all men by these presents, That on this, the Twentieth day of June, in the year of our Lord, One Thousand Eight Hundred and Sixty-Six, personally came Joseph Haydock to me, known as such, and being duly sworn, deposed as follows: That he is the sole general agent for the United States, and dependencies thereof, for preparations or medicines known as MAGGIEL'S PILLS and SALVE, and that the following certificates are verbatim copies to the best of his knowledge and belief.

JAMES SMEITER,
L. S. Notary Public,
Wall Street, New York.

June 1, 1866.

DR. MAGGIEL:—I take my pen to write you of my great relief and that the awful pain in my side has left me at last—thanks to your medicine. Oh, doctor, how thankful I am that I can get some sleep. I can never write it enough. I thank you again and again, and am sure that you are really the friend of all sufferers. I could not help writing to you, and hope you will not take it amiss.

JAMES MYERS,
116 Avenue D.

This is to certify that I was discharged from the army with Chronic Diarrhœa, and have been cured by Dr. Maggiel's Pills.

WILSON HARVEY,
New York, April 7, 1865. 27 Pitt Street.

The following is an interesting case of a man employed in an Iron Foundry, who, in pouring melted iron into a flask that was damp and wet, caused an explosion. The melted iron was thrown around and on him in a perfect shower, and he was burnt dreadfully. The following certificate was given to me by him about eight weeks after the accident.

New York, Jan. 11, 1866.

My name is Jacob Hardy; I am an Iron Founder; I was badly burnt by hot iron in November last; my burns healed, but I had a running sore on my leg that would not heal; I tried Maggiel's Salve, and it cured me in a few weeks. This is all true, and any body can now see me at Jackson's Iron Works, 2nd Avenue.

J. HARDY,
119 Georick Street.

Extract from Various Letters:

"I had no appetite; Maggiel's Pills gave me a hearty one."

"Your Pills are marvelous."

"I send for another box, and keep them in the house."

"Dr. Maggiel has cured my headache that was chronic."

"I gave half of one of your pills to my babe for cholera morbus. The dear little thing got well in a day."

"My nausea of a morning is now dead."

"Your box of Maggiel's Salve cured me of noises in the head. I rubbed some of your Salve behind my ears and the noise left."

"Send me two boxes; I want one for a poor family."

"I enclose a dollar; your price is twenty-five cents, but the medicine to me is worth a dollar."

"Send me five boxes of your pills."

"Let me have three boxes of your Salve by return mail."

I have over 200 such Testimonals

As this, but want of space compels me to conclude.

J. MAGGIEL, M. D.

P. F. PESCUD AGENT FOR RALEIGH, FOR Maggiel's Pills and Salve.

NOTICE.—None genuine without the engraved trademark around each pot or box, signed by Dr. J. Maggiel, 11 Pine Street, New York, to counterfeit which is felony.

ROANOKE

LAND FOR SALE.

AS Attorney, I shall sell, on the premises, for Cash, ON THE 26TH. DAY OF NOVEMBER, 1866,

At Public Auction, to the highest bidder, the celebrated plantation of

MR. T. P. BURGWYN, KNOWN AS

ALVESTON,

CONTAINING

1,200 Acres, More or Less,

lying in Occoneechie Neck, Northampton county, North Carolina.

This is one of the most beautiful plantations in the whole country, and is surpassed in fertility and productiveness by none in North Carolina. Most of it is high table land, a red soil, cleared and in a high state of cultivation. It is admirably adapted to the production of

COTTON, WHEAT, & INDIAN CORN.

It is well stocked with negro laborers, the former slaves of the estate, who are attached to the place, and can be easily induced to remain by a prudent purchaser. It also has on it several very good white tenants,—good and honest farmers—and is in much demand by this class of tenants. The Barns and Laborers' Houses are very good.

THE MANSION HOUSE

is sufficiently good. It is situated on the Roanoke river, *below* the head of navigation, and in the immediate neighborhood of four railroads leading to Norfolk, Petersburg, Wilmington, and Raleigh.

A plantation of equal value has not been offered for sale in Northampton within the memory of the oldest inhabitant.

IN addition to the loss and prompt payment of Justus Kinseys policy for $5,000, is now added another loss, by the death of J. E. Weeks, of Elizabeth City, N. C. for $5,000, and again promptly settled by the Ætna.

By this practical illustration of the advantages of Life Insurance, it is commended to the confidence and support of every one desirous of providing for surviving loved ones.

As an investment merely, a Life Insurance Policy is as safe an investment of funds as can be made. The principal, generally, is not only many times in excess of the amount paid, but in a sound company it has no rival for security, and no species of Government bonds are a more desirable investment.
